BULLFROG SPAS / M SERIES

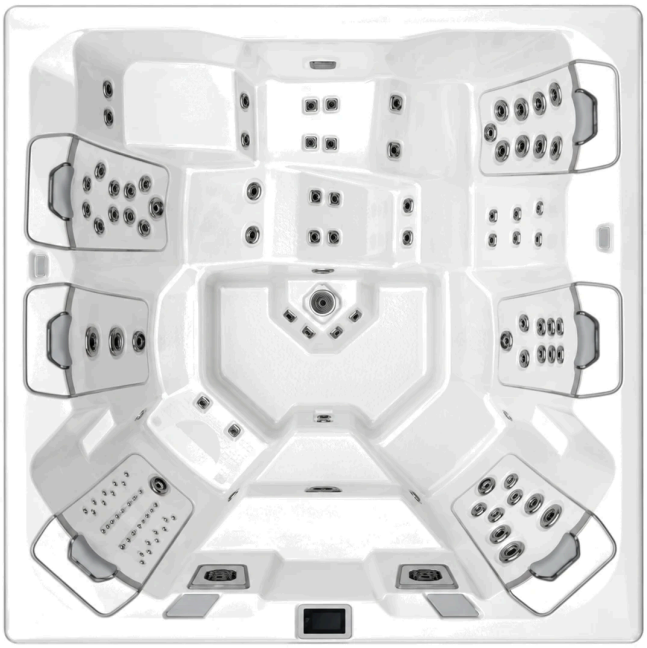

M8

Bullfrog Spas M8: up to 9 seats and up to 288 jets in the M Series.

The M8 pairs a 94-inch-square footprint with six JetPaks and a mix of lounge and upright seating. It is a useful model to shortlist when different people want different massage positions. Try the seat depths and lounger fit in person, and leave room around the spa for its cover and servicing.
