SOUTHERN LEISURE
SPAS & WELLNESS

OlympusSpas

OLYMPUS SPAS / OLYMPUS

ARES

Performance-driven hydrotherapy

Ares is the recovery spa of the collection. Its premium no-float lounger holds you in place so the jets stay exactly where you need them instead of pushing you off the seat.

TECHNICAL SPECIFICATIONS

Seating	**No-Float Lounger + Open**
L x W x H	**79 x 79 x 36 in**
Frame	**304 Stainless Steel**

Specifications are compiled from published dealer and manufacturer records, checked 2026-10-10. Equipment, options and availability can change. Confirm the current configuration, dimensions and site requirements in your written showroom quote.

FEATURES & FINISHES

304 STAINLESS STEEL FRAME

A fully welded stainless frame replaces the wood used by legacy brands, eliminating rot, warping, and pest damage.

SEALED ABS BASE

A reinforced, fully sealed base keeps out moisture, rodents, and debris while adding structural rigidity.

ADJUSTABLE HYDROTHERAPY JETS

Every jet is fully adjustable so you can dial in anything from a light massage to deep-tissue recovery.

TOUCHSCREEN CONTROL & BLUETOOTH AUDIO

An intuitive touchscreen topside control plus built-in Bluetooth audio for effortless day-to-day use.

IMMERSIVE LED LIGHTING

Multi-zone LED lighting through the water, waterfalls, and exterior accents for evening soaks.

ALL-WEATHER CONSTRUCTION

Engineered to handle heat, rain, wind, and hail so it performs the same years from now as on day one.
