SPAS & WELLNESS

Platinum SPAS

PLATINUM SPAS / MINI POOLS

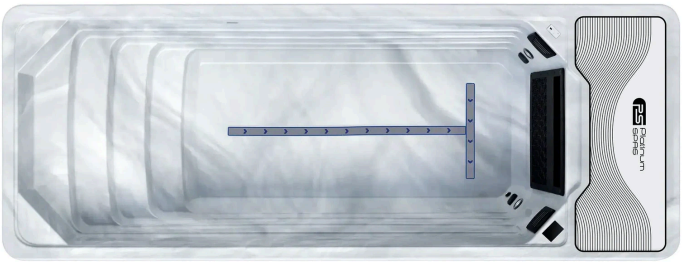

CHRONOS PRO

Easy rear entry meets a 16-speed turbine current for a flexible home swim.

The Chronos Pro mini pool combines a full-width rear step with an open swim lane. Platinum Spas' current US model page specifies a 16-speed turbine current for adjustable swimming, walking and resistance training. Plan the in-ground installation and confirm the quoted configuration with your showroom.
