PLATINUM SPAS / MINI POOLS

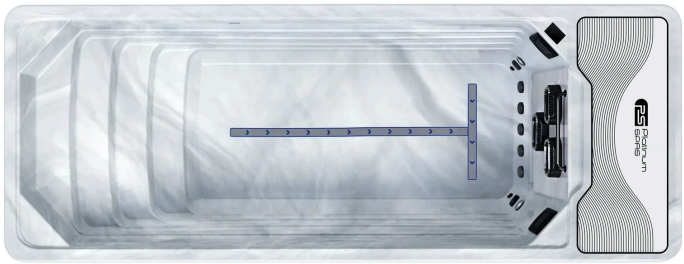

CHRONOS

An easy rear entry with an open area for everyday swimming and movement.

The Chronos mini pool pairs a full-width rear entry step with an open swim lane. Its adjustable three-pump river-jet current suits swimming and gentle water movement, while a top-access service hatch keeps equipment reachable after in-ground installation. Confirm the selected unit's electrical supply, base, drainage and access with your showroom and qualified installer before site work.
