Platinum SPAS

PLATINUM SPAS / SWIM SPA

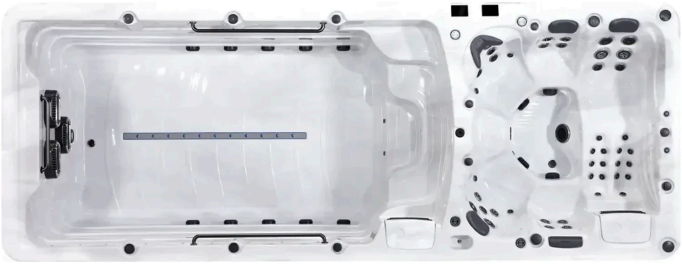

HELIOS

A river-jet swim spa with 4 fixed seats and one lounger across separate swim and spa zones.

The Helios separates a river-jet swim lane from a spa area with four fixed seats and one lounger. That layout gives a household space to swim and dedicated places to soak within the same installation. Compare the two areas, cover handling and delivery route with your showroom before choosing the site.
